Miss Alice French,
321 East 10th Street,
Davenport, Iowa.

Dear Miss French:

Thank you for the Horseshoe and the
Nails to make it stick!

You shall have two copies of the book
as soon as it comes from the printers, which will
be within a very few weeks.

I know you will love Ed Borein's cover
design, which is really a classic; and that you
will also love the old songs.

I am slowly pulling out of the deep hole
in which I've been for over a year, and slowly gain-
ing strength. I hope to be able to do a lot more
worth-while work.

With high regard and all good wishes,

Always your Friend,

CFL/R
